- Basic Training:** Circuit style class mixing strength training and cardio to meet your cross training/full body workout needs.
- Bootcamp:** Meet on the gym floor for a hard hitting combo of cardio and strength training exercises to get your weekend started off right!
- BootyBarre:** Pilates+Dance+Yoga=Balance. Booty Barre is a fun, energetic workout that fuses techniques from dance, pilates and yoga that will define and chisel the whole body.
- Cardio Sculpt:** You will sculpt sleek muscles with light weight and high reps along with bursts of cardio to strengthen your heart.
- Cycle and Sculpt:** This class combines all the best elements of a cycle class and also works on toning and defining your upper body using light dumbbells.
- Express Cycling:** 30 minutes of intense indoor cycling!
- Indoor Cycling:** The instructor chooses the music and choreography to create the perfect cardio ride
- Kangoo Power:** Explosive, highly motivating class specifically designed to challenge the whole body by building muscular strength and cardio/respiratory endurance. KJ Rebound shoes absorb up to 80% impact on the joints. Call to reserve your boots if needed. \$10 boot rental.
- LES MILLS BODYPUMP®:** Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. You will feel motivated and challenged and ready to come back for more!
- LES MILLS CORE®:** In Les Mills CORE you will build strength, stability, and endurance in the muscles that support your core while assisting balance. (30 min class)
- LES MILLS TONE®:** Les Mills TONE blends cardiovascular conditioning, resistance training and core work to help you burn calories and elevate your fitness level.
- Let's Dance:** Release your inner dancer while burning fat and calories. You will move and sweat like you never knew you could!
- Platinum Gold:** A low/no impact class using light weights and high repetitions with standing ab work and balance exercises.
- Power Pilates:** This workout emphasizes balance, control, and core strength for optimal fat burning in addition to traditional pilates mat work.
- Relax Yoga:** A slower paced yoga practice that focuses on the breath and proper alignment within the postures: perfect for all levels of yogis.
- RETRO:** A mix of step aerobics and kickboxing to get you moving and sweating!
- Walk 4 Life:** Geared toward our mature members who want to improve their balance and flexibility and also increase or maintain muscular strength and endurance.
- Yoga:** Improve mobility and flexibility through movement, flow and breathwork.
- :30 Fit:** Decrease body fat, increase muscle mass and build greater functional strength in 30 minutes.

Classes must maintain an average of 6 participants to remain on schedule.
